

2020 4th International Conference on Materials Engineering and Functional Materials

Dong Hoi, Vietnam, May 7-9, 2020

ICMFM 2020

2020 4th International Conference on Materials Engineering and Functional Materials will be held in Dong Hoi, Vietnam during May 7-9, 2020. The conference provides an international forum for researchers and practitioners to report most recent innovations and developments, summarize state-of-the-art, and exchange ideas and advances in all aspects of material engineering and functional materials.

Call for papers

Nanomaterials
Functional materials
Smart Materials
Nuclear fuel materials
Fracture Mechanics
Working Properties of Materials and Products
Materials Properties, Measuring Methods and Applications
Electron Microscopy
Quantitative Metallography
Process Systems Design
Manufacturing Technology
Management
Safety and Health Management
Physical Distribution and Logistics Management
Nanotechnology integration
Thermo-Chemical Treatment

Important Date

Submission Deadline: Dec. 10, 2019
Notification Date: Jan. 15, 2020
Registration Deadline: Jan. 30, 2020
Conference Dates: May 7-9, 2020

Publication

Submissions will be peer reviewed by conference committees, and accepted papers will be published in the International Conference Proceedings Series, which will be indexed by EI Compendex, Scopus, etc.

Selected papers will be reviewed by IJMSE Editorial Board, and accepted papers will be published in International Journal of Materials Science and Engineering, which will be indexed by Crossref, Google Scholar, etc.
